

## Contractor Opportunity – Independent Support Coordinator

Are you an Independent Support Coordinator tired of facing NDIS registration delays, costly audits, and compliance headaches on your own? Reach Ability Support offers a trusted alternative – keep your ABN, your caseload, and your flexibility while working under our established NDIS registration.

(Support Coordinator, Specialist Support Coordinator, Psychosocial Recovery Coach)

### What We Offer

- Operate under our NDIS registration while maintaining your independence
- Access to our CRM, branded templates, and onboarding support
- Centralised billing, compliance, and intake assistance
- Flexible hours with no micromanagement – work from anywhere
- Peer supervision, team connection, and clinical escalation support
- Optional referrals to help grow your caseload steadily
- Competitive rates

### You Bring

- An active caseload and ABN with appropriate insurances
- NDIS Worker Screening and knowledge of the NDIS system
- Great planning, communication and documentation skills
- A passion for empowering participants with real outcomes
- Desirable
- Qualification in Social Work, Psychology, Nursing, Mental Health or related field
- Experience supporting people with complex needs
- Familiarity with the NDIS framework, plans, and reviews

***If you're ready to join a values-based team that supports your independence while taking care of the admin burden — let's chat!***
